

Guide for new starters on how to transfer mandatory core skills training to Imperial

Mandatory core skills training can be transferred between NHS organisations. This helps streamline the process for new starters, ensuring time and effort saved when transitioning between roles. All NHS Trusts have agreed to accept **some** prior training. We aim to make this process as straightforward as possible.

We accept training from the following organisations:

- NHS Trusts
- Integrated Care Boards (ICBs)
- Community Interest Companies (CICs)
- Commissioning Support Units (CSUs)
- E-learning for healthcare

How to transfer your training

To transfer your training please complete our [mandatory core skills training transfer form](#) and email copies of your training records to imperial.coreskills@nhs.net

1. Evidence must include:
 - Your name
 - The name of the organisation you would like to transfer records from
 - The name of the topic, level (if higher than level 1) and the training date
